YOUR CHILD'S JOURNEY: SPEECH & LANGUAGE THERAPY

We received your child's **REFERRAL**.

by:
- GP
- Paediatrician
- Nursery/School

A specialist SLT will review the referral at **TRIAGE**.

You will receive a letter with the response. This could be:

'ACCEPTED' on the WAITING LIST

'REJECTED'
we will signpost you to the most appropriate service and/or resources.

'REQUEST for more INFORMATION'
we need more information from you, or a referral document is missing.

Once at the top of the waiting list, we will **CONTACT** you.

This may be via:

- **PHONE CALL**
- **PARENT WORKSHOP**
- **CLINIC APPOINTMENT**

Depending on:
- age
- need
- clinical pathway

after 2 years or length of waiting list

within 2 years or length of waiting list

INITIAL ASSESSMENT
may include talking to you, observing your child playing, formal assessment...

This will determine the **PATHWAY** and **PACKAGE of CARE**.

- Social & Emerging Communication
- Language
- Speech Sounds
- Dysfluency
- Deafness
- Dysphagia
- Communication Aids
