Subject: Freedom of Information - locum spend

To whom it may concern,

Could you please let me know the locum spend in the Cardiology department in each hospital from January 2016 to May 2017 or your most recent records. If possible could you please also let me know the spend of each individual locum that the department has in each individual hospital by job title and band of locum.

I look forward to your response within 30 days.

Kind regards,
