Request:

Does your trust have any diagnostic services provided by external providers outside the UK (eg radiology)?

If yes –

- What services?
- Which provider(s) have been chosen to provide these services
- How much is each contract worth
- For what time period will the contract run
- When did you first enter into these arrangements.

Response:

The Trust does not utilise any diagnostic services provided by external providers outside the UK. The Trust does not hold any information related to this request as a result.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so

within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:
