Dear

**Request for Information: Freedom of Information Act**

Thank you for your letter of 25 July, making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

**Request:**

1. How many cases have attended A&E with suspected carbon monoxide poisoning between 1st July 2016- 30th June 2017?
2. How many cases have been treated in A&E with suspected carbon monoxide poisoning between 1st July 2016- 30th June 2017?

**Response:**

The Trust do not provide A&E services. The Trust does provide Urgent Care services and Minor Incident Units, however, does not hold any information in relation to your request.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

Please contact me if there are any further queries.

Kind regards,

Yours sincerely,

Mark Underwood

Head of Information Governance
