5. When a child or adolescent is not eligible for support in CAMHS do you signpost them to other potential sources of help? (If yes, please specify).

If my request looks too time consuming please just answer questions 1, 2 and 3.

The Trust is unable to comply with section 5 as individual record review would be required to derive the information and this would require the Trust to exceed the appropriate limit. There are in excess of 2000 individual patient records to review, which at a minimum of 1 minute per record would take the Trust at least 30 hours. The appropriate limit set in regulation by section 12 of the Freedom of Information Act is 18.

5. Information on CAMHS referral process is available via the following URL

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

Please contact me if there are any further queries.

Kind regards,

Yours sincerely,
