Thank you for your email of 16th April, making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

Request

Would be possible to please get the email address and contact details for the person or persons responsible for the purchase and sourcing of waste reduction equipment such as cardboard balers and smart bins in the trusts individual hospitals.

Response

The Trust has never purchased this type of equipment. Were the Trust to require such equipment it would be dealt with by the Procurement Service, their details are published on the Trust website and can be accessed as follows:

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.
