Dear

Request for Information: Freedom of Information Act

Thank you for your email of 5 July, making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

The total income received by your trust in each of the last 4 financial years from private (non-NHS patients)

The Annual total investment made in facilities for the treatment of private patients for each of the last 5 financial years

The annual spend for your trust on promotion external PR companies for each of the past 5 years

For ease I have included a table below and would be grateful if you are able to complete it.

Response:

1. The Trust publishes this information in its Annual Accounts. This information is therefore accessible by other means and the Trust have applied section 21 of the Freedom of Information Act to this part of the request. The Accounts can be accessed at:

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

Please contact me if there are any further queries.
