Oxford Health NHS FT is a provider of specialist secondary mental health services and specialist community health services. The Trust does not provide A&E services and holds no information in respect of your request as a result. Such information ought to be available from the acute services provider in Oxfordshire, Oxford University Hospitals NHS FT.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

Please contact me if there are any further queries.

Kind regards,
