Dear

Request for Information: Freedom of Information Act

Thank you for your email of 27 July, making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

Request:

- Details of total income received by the trust from clinical commission groups each financial year between 2010 and 2018.

Response:

1. The Trust publishes this information (relating to income from CCGs and PCTs prior to the creation of CCGs) in its Annual Accounts. This information is therefore accessible by other means and the Trust have applied section 21 of the Freedom of Information Act to this part of the request. The Accounts can be accessed at:

<https://www.oxfordhealth.nhs.uk/publication/annual-reports/>

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for Fol Act matters.

The ICO can be contacted at:

The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9
5AF

Please contact me if there are any further queries.

Kind regards,

Yours sincerely,

Mark Underwood

Head of Information Governance
