Dear

Request for Information: Freedom of Information Act

Thank you for your email of 16 February making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

Request:

At the moment I work on a project that requires me to find out how many vials of Synacthen 250mcg/ml injection have been used in hospitals in UK.

Would you happen to have this kind of data for the Synacthen 250mcg/1ml injection for your trust for the last 5 to 10 years please?

Is this information available through you? If not could you please let me know if you know where it would be available from?

Response:

2013	3 vials
2014	12
2015	17
2016	31
2017	17
2018	24
2019	2 (January only)

If you are concerned with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FOI Act matters.

The ICO can be contacted at:
