Dear

**Request for Information: Freedom of Information Act**

Thank you for your email of 22nd February making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

**Request:**

The diabetes nursing organisation, TREND-UK (Training, Research and Education for Nurses in Diabetes-UK), is carrying out an England-wide audit. This aims to determine the numbers of Diabetes Specialist Nurses employed within NHS England. This piece of work was initiated following a recent All Party Parliamentary Diabetes Group review on the state of diabetes specialist nursing.

I would appreciate it if you could provide me with answers to the attached questions under the Freedom of Information Act. You will see I have provided an easy-to-use table.

**Response:**

Please find the information requested in the spreadsheet attached to the accompanying email.

If you are concerned with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

Please contact me if there are any further queries.

Kind regards,

Yours sincerely,

Mark Underwood

Head of Information Governance
