Dear

**Request for Information: Freedom of Information Act**

Thank you for your email of 2<sup>nd</sup> April making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

**Request:**

I am writing to ask whether staff side can please have a copy of the recently commissioned Shipman Report into the state of mental health funding in Oxfordshire please? We would also like to see the NHS benchmarking around mental health as part of this.

I realise that a FOI request may not be necessary, but I have not been able to get hold of a copy and I think it is important for the unions to be able to have sight of it please?

**Response:**

Please find the information requested attached to the accompanying email.

Please also accept my apologies for the slight delay in providing the information to you.

If you are concerned with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

Please contact me if there are any further queries.

Kind regards,

Yours sincerely,

Mark Underwood

Head of Information Governance
