Autumn Term Timetable

Buckinghamshire Recovery College (BRC) offers **free courses** for anyone **aged 18+, regardless of age or background**, who live in Buckinghamshire, use local mental health services, as well as carers and Oxford Health NHS Foundation Trust staff. All our courses are co designed and co-delivered in partnership with those who have lived-experience of mental health challenges and those who have professional experience. **As a student we expect you to sign a Student Code of Conduct.**

Courses are NOT therapy, but we do provide a therapeutic environment, which offers the chance to connect with others who may be experiencing similar challenges.

Understanding/Introductory Pathway

Introduction to Recovery College (IRC) - All new students are encouraged to attend an IRC and is a great way to meet our staff and tutors. You will learn how BRC works, what we offer, and ask questions.

Building Resilience Pathway

Carers Matter Series - Carers often hold families together, helping loved ones live well — but this can take a toll on their own health and wellbeing. Many balance caring with work, family responsibilities, financial pressures, and their own health concerns. This series of supportive, single-session workshops offers practical tools to help manage the demands of caring, while providing space to reconnect with yourself — not just as a carer, but as a person.

Carers Matter: Stress Busters (CMSB) - This session will look at the causes of stress, how it can present and how to incorporate techniques to help you manage stress more effectively.

Date (Single Session)	Time:	Location:
Thursday 1 st October	1.30pm-3.30pm	Online - Microsoft Teams (2 hours) (Only open to Carers and Oxford Health Staff)

Carers Matter: Identity (CMI) - We are more than our caring role. This session aims to empower carers to reconnect with themselves as a person, and the things they enjoy which may have been lost due to their caring responsibilities. We will explore expectations from others and self and how to become your own friend again.

Date (Single Session)	Time:	Location:
Thursday 22 nd October	10am-12pm	Online - Microsoft Teams (2 hours) (Only open to Carers and Oxford Health Staff)

Carers Matters: Confidence & Assertiveness (CMCA) - What might be different if I was more confident or I said no? This session provides carers with techniques and ideas to encourage greater confidence and to establish healthy boundaries.

Date (Single Session)	Time:	Location:
Thursday 12 th November	10.30am-12.30pm	Online - Microsoft Teams (2 hours) (Only open to Carers and Oxford Health Staff)

Well-being Pathway

Writing With Confidence (WWC) with the Royal Literary Fund – Want to feel more confident when putting pen to paper (or fingers to keyboard)? This workshop will help you discover strategies to tackle any writing task with enthusiasm. Through discussions and hands-on exercises, you'll learn how to boost your skills, explore what makes writing impactful, and develop a structured approach to the process. Whether writing for work, a personal project, or just for fun, this friendly session will give you tools to approach any task with confidence and ease. Please note: this is not a creative writing class.

Date	Time:	Location:
Thursday 17 th September	10am-12pm	Online - Microsoft Teams (2 hours)

Recovery Through Creativity (RTC) – This 4-week course explores how creative activities, including craft, can support mental health recovery. Through hands-on sessions, participants will try different art and craft forms in a safe, supportive environment. Each week focuses on building confidence, self-expression, and wellbeing. No prior experience is needed—just an openness to try new things and connect with others. The course aims to inspire, provide positive distraction, and show the benefits of creative practice.
